- 2.** Convenient mobile therapy services in the comfort of your own home
- 3.** Short wait lists
- 4.** Fast & flexible booking approach to fit in with your lifestyle
- 5.** Experienced, friendly, genuine and caring team
- 6.** Continuity of care with the same clinician

Who is Empower?

We deliver life changing allied health services.

We work with you to develop meaningful care plans to live your life and achieve your goals.

We assist NDIS participants from 10 – 64 years of age.

We have comprehensive coverage across Metropolitan Melbourne, Mornington & Geelong.

Services include: Physiotherapy, Occupational Therapy, Podiatry and Dietetics.

We are committed to helping you maintain a healthy and engaged lifestyle in your community.

NDIS

Range of Services

We offer an extensive range of allied health services.

Physiotherapy

Physiotherapy treatments and exercise programs to improve balance, movement and complete daily activities safely and independently.

Dietetics

Diet advice to improve health and manage specific conditions with weight loss or gain, difficulty in eating food and food allergies.

Podiatry

We treat and monitor all aspects of foot care, from basic nail care to foot infections as well as providing advice on shoe suitability for mobility.

Occupational Therapy

Home Modifications

Comprehensive reports and builder consultations for all types of home modifications to support independence and lifestyle.

Aids & Equipment

We support you to choose the most suitable equipment and aids that are designed to help independently complete daily life activities.

Mental Health

Our professionals work with participants to promote confidence, motivation and well-being.
