Kickstart your career with Empower!

Our **dedicated graduate program** provides the support you need to transition into life as a first-year clinician and extend the skills you worked hard to develop at university.

We have created a comprehensive 12 month program that delivers structured learning, mentoring, peer support and e-courses, all while you enjoy job security and competitive remuneration packages.

WE CHANGE LIVES

The Graduate Road Map

With ongoing expert support, we provide you with the right tools that put you in the driver's seat to reach your full potential.

Our graduate program is underpinned by five pillars of personal and professional development, allowing you to gain practical skills, experience and soft skills, which are essential for anyone aspiring to be a capable and well-rounded professional.

Structured Learning

Strengthen your skills and knowledge with fun filled monthly practical learning sessions.

E-Learning Courses

Access Empower's online Learning Management System and Courses, providing you with a blend of audio-visual tutorials that you can complete at your leisure.

Mentoring

Be supported by a senior clinician to provide you with career guidance, motivation, emotional support, role modelling and constructive feedback. Together, we'll establish your strengths and interests and help you reach your full potential.

Peer Support

Experience a fantastic team culture with ongoing onsite professional education. Enjoy quarterly company-wide professional development and social activities, e.g. we attended a VR experience at Dementia Australia followed by an Escape Room experience!

Career Development

With opportunities in home care, aged care, clinical development and leadership - our expanding business has a place for you!

STAGE 2

INDIVIDUAL INTERVIEWS

Successful candidates will be invited to attend an interview.

STAGE 3

GRADUATE INDUCTION

If you're one of the lucky ones that receive and accept our offer, graduate induction will commence in mid-January 2021.

HOT TIP! Apply for your **AHPRA registration** as early as possible! Ask your course coordinator for the expected study completion date and commence your registration process 6 weeks before that date.
