Accelerate your Career with Empower!

Built on a foundation of high-quality allied health services, Empower Healthcare is committed to making a difference in the lives of people across Australia - and we want you to help us do it!

Skyrocket your development with our structured 12 month graduate program, as you embark on a journey of personal and professional growth supported by peers and mentors within a team environment.

Your tailored case load will be based on your individual goals and personalised GROWTH Plan. We value our therapists and we value their learning, so our focus is on quality over quantity through realistic workloads with built in time for professional development.

Join the Empower family and experience the best start to your career, with us by your side.
