Why Choose Empower?

We understand your NDIS needs

Gain Independence

We help people be more independent, in order to participate in everyday activities and engage in their community.

Increase Mobility

We provide assistive therapies to improve balance, movement and complete daily activities, safely and independently.

Improve Comfort and Wellbeing

We advise and educate participants and carers in good choices that improve overall health and mental happiness.

OUR PROMISE TO YOU

Rapid Response

We acknowledge all referrals immediately.

Timely Reporting

We update Case Managers on the same day or within 48 hours of the completed appointment.

Cost Effective

Our pricing structure includes treatment, documentation and travel time.

Prompt Treatment

Initial appointments completed within a short time-frame of receiving referral.
